# CATALYST ADULT DAY PROGRAM

(AGES 18+)

**NEW!**

**Catalyst is a new adult day program option that is designed to support personal growth and independence for people with intellectual and developmental disabilities by focusing on learning life skills.**

Members will learn and practice meaningful and necessary skills, promote personal growth and independence, and build confidence in their daily activities to facilitate skill translation to everyday life.

The program enables greater independence through a broad array of life skill training activities, based on member needs. Topics include general household cleaning, personal hygiene, laundry, community engagement, meal prep and planning, and more.

Catalyst participants will be best suited to the program if they have a willingness to learn and engage in both individual and group activities, and can commit to a minimum of 6 months of Catalyst sessions.

*“The importance of the program lies in that it isn’t just a day program - we support members in achieving their individual goals. They have the desire and motivation to strive for greater independence, coming in to learn and try out new things they haven’t done before.”*

We reserve the right to suspend the membership of a member whose family member/caregiver/agency staff is late three (3) times or more during a program session.

## Other Information

In order to be fiscally responsible, CEL reserves the right to change fees when necessary to cover our expenses. Fees quoted in this guide will be in effect through Fall 2024.

Not responsible for lost or stolen property you bring to CEL programs.

## Early Arrival

We ask that members arrive to CEL no earlier than 10 minutes prior to any program, unless early arrival has been previously arranged. Ongoing early arrivals may result in restricted access to building.

## Email or Drop-Off Your Registration

Email your registration to [Outreach@CenterForEnrichedLiving.org](mailto:Outreach@CenterForEnrichedLiving.org), or drop-off your registration at CEL. Business hours are Monday through Friday from 9:00 a.m. to 4:00 p.m.

## Inclement Weather Information

If inclement weather occurs, CEL may determine to cancel programs and/or switch to a virtual format. (Inclement weather can be defined as heat index over 100° or higher, vehicles/sites without air conditioning, tornado warnings, icy road conditions, snow storms, extreme wind chill, etc.) If this does occur, CEL will call members prior to the start of a program to cancel program or offer virtual options, if available.

*Program Guide Errors Our staff have made every effort to prepare this program guide as accurately as possible; however, errors can occur. Circumstances may require that adjustments be made to programs, fees, schedules, etc. The Center for Enriched Living reserves the right to make any such adjustments. We apologize for any inconvenience these errors or adjustments may cause. CEL has no control over venues cancelling or rescheduling events. Should this occur, CEL will attempt to offer a comparable activity.*

## **CEL sounds like a wonderful experience – how do I get started?**

New members must contact a Community Engagement Coordinator to schedule a New Member Orientation and begin the membership process. Membership information should be completed in full and necessary documents provided to complete registration; The Community Engagement Coordinator will be the point of contact during this process. Please note that participation in an onsite program at CEL must occur prior to new members attending community excursions. Speak with one of the Community Engagement Coordinators to set up an appointment: Brittany Mussen, [Brittany@CenterForEnrichedLiving.org](mailto:Brittany@CenterForEnrichedLiving.org), 847-315-9890 or Cassara Cole, [CCole@CenterForEnrichedLiving.org](mailto:CCole@CenterForEnrichedLiving.org), 847-315-0074.

## **Can additional supports be provided?**

We recognize that some members may require additional assistance to have a meaningful, safe, and successful experience. The program team will assess needs during the new membership process to ensure necessary supports are in place, especially for community-based activities. Our primary responsibility is the safety and security of all members, staff, volunteers, and community partners.

## **When are program fees due?**

Payment is preferred in full at the time of registration. Payment plans can be arranged with a credit card on file. In order to keep your account current, any balances are due in full prior to an event, excursion or recurring program. Please note that programs not meeting minimum enrollment may be subject to cancellation.

## **Are there any discounted rates or coupons for programs?**

CEL is proud to offer financial aid opportunities for programs. Please see page 28 for full details.

## **What is your credit and refund policy?**

- A cancellation that occurs prior to the start of a weekly program will incur a service fee of \$50 that will offset the refund. No refunds will be given after the first day of the weekly program.
- For special events and excursions, cancellations must be made 2 weeks prior to be eligible for a credit or refund. If tickets have been purchased for an excursion, the cost of tickets will not be reimbursed unless the spot is taken by another member. If an excursion is canceled by the venue or CEL, the program team will offer alternatives depending on the type of excursion and reason for cancellation. CEL has little control over venues that may cancel events.
- If a medical condition prevents a member from participating in a program, a doctor's note is required and will be evaluated on a case-by-case basis for credit or refund.
- Members who move out of the area will be eligible for a refund once the address change is confirmed

## **What if I require a dietary consideration for a program or event?**

We strive to accommodate the needs of our members and will do our best to meet requests. In some cases, particularly meals that are planned for a group event or those in the community, it may be difficult to ensure special menu choices. When snacks are offered during programs, members must bring their own gluten-free or dairy-free items as an alternative.

Many Ways to Connect with CEL

# DID YOU KNOW?

The programs you love and rely on are only possible with the support of CEL's donors. The program fees only cover a portion of what it costs to have caring, capable staff, materials, transportation, and our Universal Design building.

Because CEL is independently funded, donations and fundraising events support more than half of the costs of all CEL programs. Donations also fund financial aid, because we never want our members and their families to bear the full cost, and finances should not be a barrier to a life full of wonderful experiences.

If you have the means, please consider supporting our programs and help keep our programs affordable for all.
